

CHEMIFOAM POLYURETHANE FOAM CLEANER

USE WITH SPRAY GUN

DOESN'T DAMAGE THE OZONE LAYER

10Y
Min: -10°C
Max: +35°C

CHEMIFOAM Polyurethane Foam Cleaner, cleans all residues of polyurethane-based chemicals if used before curing.

- ✓ **Cleaning all polyurethane based chemicals**
- ✓ **Clean the foam guns**
- ✓ **Prolongs life of the gun**
- ✓ **Can be used in all positions**

APPLICATION

Recommended for cleaning foam guns as well as places where the foam was accidentally placed.

APPLICATION INSTRUCTIONS

Shake the can very well before use. Place the can in the gun and press the trigger until the product comes out. The residue can also be cleaned before hardens. At the end, remove the can from the gun. The actuator is included to remove the foam from the gun adapter.

INDICATIONS

More effective if used before curing.
