

ROLLING STOOL

Swivel stool with retractable wheels. In polypropylene it is ideal for professional and domestic use, workshop, shops and warehouses. The stool can be moved with the foot and positioned without having to stand up. When it is lifted, the wheels disappear instantly and can be blocked by means of an anti-slip rubber ring positioned on the base.

Features

- ✓ Accidental opening is prevented by the anti-lock platform

Certified to European standard EN131
