

EXTERNAL CORNERS TROWEL

High-quality, long-lasting stainless steel corner spoon.
Perfect grip on the handle.

Pleasant-touch PEFC-certified wooden handle with stainless steel ferrule.

For working and trimming corners.

- ✓ **Unbreakable.** Rounded blade with a 90° angle, aligned and polished, made from stoned carbon steel.
- ✓ **Does not wobble.** Perfect grip between handle and blade, for precise coating and grouting of joints.
- ✓ **The most comfortable handle.** Ergonomic lightweight aluminium handle, very soft to the touch.

Recommended use:

For taping and finishing joints. For grouting screw heads
