

24LTS TILING BUCKET KIT

Suitable for DIY and professional use.

Complete tiling bucket kit with large plastic handle for easy transport

Resistant plastic grid so that the residues from the cleaning of the rollers stay at the bottom of the bucket, without coming into contact with the trowel and/or sponge.

All the necessary components for tile laying and cleaning are included in this set.

Bucket capacity 24 litres.

✓ **Tiling bucket kit consisting of a double trowel, a 24-litre bucket and a double roller.**
