

BLACK RUBBER TROWEL

Professional putty trowel, made of rubber, adaptable to all types of surfaces, with polystyrene base and perfect grouting, with high durability without deterioration.

Ergonomic, lightweight handle.

For joint, tile and floor work.

- ✓ **You will be able to work on any surface, with more flexibility. Thanks to its handle, you will have this mortar float for a long time.**
- ✓ **Flexible polystyrene and natural rubber base, ultra-resistant to abrasion.**
- ✓ **Very light and ergonomic, with a black plastic handle.**

Recommended use:

Removes and spreads the materials used in grouting.

Ideal for larger joints.
