

2-K STAINLESS STEEL TROWEL

Professional trapezoidal trowel with high quality flexible stainless steel blade, maximum durability without deterioration.

Perfectly flat blade to ensure the perfect finish, varnished to prevent rust and perfectly adjusted.

Ergonomic bi-material handle, very light, temperature resistant and non-slip.

For finishing and plastering work

- ✓ **It will last for a long time without wear. Blade made of special stainless steel, abrasion resistant.**
- ✓ **Perfect finish. Varnished blade, extraordinarily flexible and flat.**
- ✓ **Ergonomic, bi-material, light handle, so you can spread cement comfortably.**

Recommended use:

Carrying out finishing work, extending and smoothing cement, mortar, plaster and other materials. Handle designed for right-handed and left-handed people.
