

## CIRCULAR BRUSH KNOTTED STEEL PROBRUSH

The **PROBRUSH CHEMITOOL** knotted steel circular brush provides an extra coarse finish to surfaces. It has a knotted wire for intensive cleaning applications on metal.

- ✓ **0,5mm knotted steel**
- ✓ **Available in 115 and 125mm**
- ✓ **Extra thick finish**
- ✓ **Ideal for corners**
- ✓ **High profitability**
- ✓ **Long tool life**

The **PROBRUSH CHEMITOOL** knotted steel circular brush is suitable for cleaning hard-to-reach areas such as corners, removing weld seams, rust, paint and varnish. Its knotted and rigid steel characteristics allow it to have an aggressive effect.

Ideal for use in hard-to-reach areas where cup brushes cannot reach.

0,5mm thick wire.

M14 female threaded fitting for quick and easy attachment to angle grinder.

Available in 115 and 125mm diameters.

For best results, it is recommended to use with powerful angle grinders with variable speed.

Packaged in a blister pack with holes for display.

### Material

Steel

### Suitable for

Cast iron, wood, steel and cast steel

### Machine Compatible

Angle grinder
