

HYDRO DENSE FOAM TROWEL

CHEMITOOL HYDRO Dense Foam Trowel made from flexible polyurethane with a polyester base.

With its high degree of absorbency and high resistance to abrasion, it is suitable for general cleaning of all types of surfaces, especially rough ones. It is not recommended for use with acid-based products.

The plastic handle of the foam trowel is rounded and has been carefully ergonomically designed to give the user greater comfort during use.

AREAS OF APPLICATION

- ✓ **General construction**
- ✓ **Joint cleaning**
