

1000KG MANUAL STACKER EUR2/GMA

Recommended for palletized loads in general, enabling lifting for loading and unloading. Popular for transporting loads to trucks, cars and vans, and also for removing goods from shelves. The precise and extremely safe operation of this product allows it to be used in environments with a risk of explosion caused by electrical sparks. Its size is user-friendly, allowing mobility and control in narrow environments.

- ✓ **Robust and resistant steel structure**
- ✓ **Useful load: 1000 Kg**
- ✓ **Easy to use and maintain**
- ✓ **Silent displacement**
- ✓ **Good maneuverability**
- ✓ **Solid rubber swivel castors and fork wheels in resistant nylon**
